Henry,
This is great news!
For your info Rich is now on paternity leave, as of today, so I am afraid this will have to wait a while.

Thanks

Re: Fw: Blaze contact

Richard/Angus,

I want to follow up with you to make sure that you were able to download and install Blaze Advisor successfully.

I also created a small prototype based on rules that Russell sent to me, so we can review it when you are ready.

Thanks,

Henry Mirolyuz

Re: Fw: Blaze contact

Hi Henry,

We're ready to start some hands-on prototyping with Blaze. Could you let us know where we can get the files and maybe a short 'quick start' on how to get up and running?

I'll be off on paternity leave any day now so could you copy in Angus on any reply?

Many thanks, looking forward to working with this,

Richard

Blaze contact

Angus - this is the contact for Henry, who we spoke to yesterday.

Henry - I assume it ok to contact you so we can start to download the appropriate Blaze software?

Thanks Russell.
